My girlfriends gave me this huge acrylic dildo at my birthday last month. My boyfriend doesn't know I even have it. Well – it and I have become good friends. It never talks back to me. It's always there when I need it. And it's always **HARD!** Next week I've invited my best girlfriend over for some fun. I can't wait to see her face when I pull it out and then put it in her. I don't know how you guys did it, but I loved (and have already jerked off to) all the ladies in the last issue of 30+40. I've purchased a few of them, but with issue, every girl was a hit with me. Especially the cowboy layout (being one myself) with Capri Cavanni. I'd ride that ass for days, then she could ride me. "Giddy up, girl!"
— Bobby, Ft. Worth

SHOW ME

When my thirty-something neighbor, Lysette, came around to the back of my house, telling me she wanted to show me something, I figured it was something to do with night school. She had just started and was really gung-ho about entering those hallowed halls of knowledge.

But once we were around the back of my house, I got the shock of a lifetime. She lifted her skirt, revealing the panties she was wearing... and they weren't ordinary panties, either. They were panties with an open crotch, the slit wide enough to show off her little pussy.

"Do you think guys are going to be all horny and surprised?" she asked with obvious enthusiasm. "I know I'm already wet. My pussy is like a swamp down there. Are you turned on?"

I was too dumbfounded to answer at first, but once I found my composure, I answered, "I'm more than just turned on! Seeing your pussy framed like that makes it look good enough to eat."

"Then eat it!" she exclaimed, lying down on the grass, surprising the hell out of me. But I wasn't going to turn down that offer.

I got on my knees, positioning my mouth in front of her furry little fuck-hole. Then I slid my tongue around the rim of her pussy, tasting the delicious se-

cretions that had already started oozing from her sticky slit. I licked twice around her rim before diving right into her wet core, my tongue slamming hard into her sweet box. Lysette let out a loud gasping sound. This was wild! I'd always fantasized about going down on her, but I never figured it would be as easy as she just made it!

I slipped my tongue in all directions, making sure I stimulated as much of her sweet pussy as possible. She got tastier the farther inside her I licked. I loved the way she let out cooing sounds. Grown women don't make sounds like that. Usually horny are the ones who make the sexiest noises. This chick sounded like she was in heat.

"Ooh, I love the way you're licking me!" Lysette cried, making me slurp at her with even more enthusiasm. I was going to show her more than a good time. I was going to give her the best pussy-licking of her life.

My tongue stormed left, then right, cruising against her clitoris first, then heading deeper toward her G-spot. That's a tricky area some guys have trouble locating. I found it without too much trouble at all. Once I latched onto it, I wasn't about to let go. I wanted to lick Lysette into a frenzy until I made her come. And that magical moment didn't seem terribly far off.

"Oh god, I think my pussy is going to explode!" she gasped. I knew that once she did come, it would be an incredible orgasm.

The climax ultimately came with

all the fury of an avalanche. Her body twitched violently, Lysette trying to suppress her screams by placing her hand over her mouth. Even with her hand covering her lips, though, I could still hear the whimpers of climax. I just hoped that the rest of the neighbors weren't able to hear as well.

Her thirst-quenching juices filled my mouth, leaving me with an appetite for even more of her luscious, full body. She kept her legs parted for me, her pussy looking even sexier through the opening of the panties. Now her pussy-lips were glossy with her juice, ready for my cock to come and pay her center a very special visit!

When I pulled down my pants, offering her a close-up view of my cock, I saw a look of excitement register immediately in her eyes. It was as if she couldn't believe what she saw. I didn't ask how often she had been fucked before, not really caring. If she had, I hoped my cock would take her mind off whatever had entered her sweet little pussy before this.

I filled her sexy hole with my aching hardness, letting her feel every throbbing inch. I raised her off the ground, cupping her firm ass-cheeks, while I drove my cock to the deepest regions of her young hole. I felt her body respond by bucking into mine. She didn't push hard at first, as if she were afraid. Once she got into the mood and the rhythm of my thrusts, her body soon began heaving into mine.

"Your cock feels so good in my pussy!" she kept crying. "Oh god, I've never felt anything like this before."

Wanting her to feel even more pleasure, I began fucking her faster and

harder, rocking the entire ground around us. Her sweet body was on fire, too, her breasts poking hard into my chest. The plunges from my cock became shorter and more precise, a boiling energy behind every thrust. I had loads of cum stored in my balls, ready to unload when the time was right.

Lysette's pussy was ready to swallow all of my cum. Once I reached the point of no return, I started filling her eager pussy with a heavy volume of gonad grease. I filled her until the jizz was oozing back over my balls. She covered her mouth again as another orgasm of hers coincided with mine. I let her lick the last remnants of sticky cum from my cock.

Lysette has bought more panties without a crotch. She comes to show them off, and then I get to show off my sexual prowess—using the right techniques to pleasure this sweet and loving neighbor of mine.

— Hal, Ohio

BACK OR FRONT, I'M GAME

My name's Dyanna, I think I'm attractive. I'm 32 years old, 5' 6" with 36D breasts, but that's not even my best asset. By far, my big curvy backside is. My girlfriends are always complimenting and the

When we got these pics of Krissy, we knew right way she was the right cover girl for the next issue of this magazine. And when we found out she was only 5 foot 3, well we just hit the floor and fell instantly in love because we thought her much taller. There's just something just a touch hotter about petite girls.

She may look sweet and shy, but Krissy loves showing off her body and trying new things. We found her outgoing, personable and approachable. Even though she says she was once a daddy's girl, she can hold her own anywhere. Especially in he bedroom — so she says.

boys are always looking at my ass. I'm used to describing myself like this because I've been posting online with guys a lot recently. I'm constantly horny so my on-line chats are almost always about sex. There was one guy in particular, Ramon, a 25 year old grad student that has my interests piqued. He turned me on and has made me curious. Whenever I was online there he was.

After many months of back and forth, I felt more and more comfortable with him. He was sweet yet aggressive. I broke down and told him where I lived and wouldn't mind meeting him. I even told him I'd answer the door wearing nothing but a towel. So it's Friday night and I'm expecting the door bell to ring any minute. I put on my favorite sexy black thong and high heels and wrapped a big towel around my body just in time. I opened the door but I was stunned at what was in front of me. Ramon looked to be 20 at the most.

Standing there naked apart from my high heels and sexy black thong. Ramon stepped back to stare, his eyes were wide open and I knew he was getting more horny by the second. He stepped towards me and started kissing me all over and squeezing my breasts. His kisses moved down to my large breasts, taking turns to suck each of my now erect nipples as I felt both of his hands now fondling my ass.

Before I could even turn around, Ramon gently pushed me face down onto my sofa. I felt his hands squeezing my butt as he gave out a moan as he buried his nose deep between my asscheeks. I felt both his hands pull my butt asscheeks apart and something warm entered my asshole. It was his tongue and it felt amaz-

ing, circling my asshole as two of his fingers entered my wet pussy from behind. I felt the sensation building when Ramon picked up the pace. I screamed during an absolutely amazing orgasm, my legs were shaking and my body tingled all over. I glanced behind me and could see his face was still buried deep in my butt and he continued to suck and lick away at my holes.

Ramon stood up next to me, both of us completely naked. I glanced down. His cock was surprisingly large. I said as I got down on my knees for a closer look. I lowered my breasts and rubbed his cock against my lips, and took all eight-inches deep in my throat. Suddenly, his back jolted and he fed me wave after wave of his warm love juice into my throat. I swallowed every last drop.

I now wanted his cock inside me, so I mounted him slowly as his still erect cock slid inside me. Slowly I began to rise and fall as his hands grabbed my asscheeks moving me up and down. I felt him swelling again and pulled him out to take his explosion on my breasts. He buried his cock between them to finish and I took the full load into my open mouth. I get up to get the towel and wipe off what I didn't swallow. I sat back watching Ramon put his clothes back on.

– Dyanna, Memphis, TN

"With the right guy or girl, I'll try anything. Since I'm petite, almost every cock is extra large to me, but I really do love large ones. They fill me up so much that I can make myself cum just by squeezing my vaginal muscles. I can make the guy cum that way too! It's quite a surprise for them when I do it."

"And, for you anal junkies, when I first had my ass fucked, just putting the head in hurt, but by the time a few minutes passed and a few more inches of cock, I realized how much I loved it. And I haven't stopped since!"

I broke in this bed the day I moved in. I had just split with my ex and got it on with my new boyfriend as soon as the movers left. He came within ten minutes as I sucked him dry. Then I poured champagne down my naked body and right into his mouth as he was licking my pussy. Now that was hot! We celebrated some more all through the night and well into the next day!

I'VE SURRENDERED MY ASS TO HIS COCK

A Trucker's Tight Schedule

The truck stops can be a man's necessary salvation.

Wheeling my semi across Texas at least twice a month, I've learned that the girls in the Lone Star state can be more than accommodating to an 18-wheeler cowboy.

One warm summer night, I had just fueled my rig and was about to grab a steak at the truck stop restaurant. As I neared the building, a couple of small-town girls in a Mustang convertible whipped up alongside. They'd no doubt been cruising the main street like half the teens in Texas. Now that it was close to midnight, they had ended up at the only 24-hour burger joint in town.

"Hey, trucker!" The blonde driver flirted as she braked in front of me. Her cute friend, remained silent.

The blonde was quite beautiful. But she had that prettiest-girl-in-town attitude. I have no time for the games she would want to play. But the brunette—now, she had real possibilities.

As the pair of them got out of their car, I could see that the passenger was prime stuff. Those loose shorts she was wearing couldn't con-

ceal the roundness of her butt.

They joined me inside. The blonde was busy seeing who would notice her dining and flirting with the out-of-town trucker. She left the table to make the rounds among the two dozen other teenagers in the place, leaving me alone to chat up the brunette.

Things went great. By the time I invited Karen to see the inside of a real custom rig, she was dreamy-eyed. From what she'd told me, it seemed no one in this dusty Texas town had seen the potential in Karen, who suffered in comparison with the blonde she hung out with. She told Blondie where she was headed, and out the door we went. I helped her up into the cab, one hand lightly bracing her firm, young ass. Of course, the tour of the driver's seat was short. I wanted her in the double sleeper.

She was amazed at the luxury of the compartment. She sat on the bed pensively, and I settled down beside her. I kept up the sweet talk as I began to touch her lightly. My fingers brushed her bare arm, then her hair,

and finally moved across her cheek. She was melting.

This wallflower was blossoming. When I finally kissed her, she parted her lips and moaned softly. I found her breasts through the cotton T-shirt, gently, cupping each tit. Her nipples stiffened right up. I couldn't resist tugging at them. She squirmed but didn't push my hand away.

"Damn, baby" I whispered into her ear. "You're getting me hot!"

I almost laughed when she started to apologize. I held her face in my big hands and kissed her hard, exploring her mouth with my tongue. Soon I moved both hands down to fondle those precious breasts simultaneously. I slipped them under her T-shirt, reveling in the smooth texture of her skin and the taut, flat plane of her stomach. Then I moved on to caress her sweet boobs.

She was panting as I lifted the shirt over her head. I kissed my way down her slender neck until I had my mouth on those hard nipples. Easing her onto her back, I lavished her upper torso with kisses.

Quickly I began to ease her shorts down. I didn't ignore a single square inch of her belly as I revealed more and more of her creamy skin. But once my searching lips began to touch the uppermost curls of her pubes, she stopped me, her hands lifting my face.

"I...I've never...." Karen tried to explain. Her wide brown eyes pleaded for understanding.

My cock throbbed and grew even harder. I looked up at her, trying to win her trust while keeping her on the edge of the sexual precipice where she teetered.

"You can say it, baby," I urged.

"I'm...." her voice was quiet. "I'm a virgin."

"Not after tonight," I promised, and tugged the shorts down to reveal her pussy. I blew hot breath into the thin thatch of her bush, and my young lover shivered. Next, I kissed that soft juncture and inhaled the heady aroma of her excitement.

Lifting one knee, I gently spread her thighs until I could see the flower of her swollen labia. I leaned down and fixed my mouth to that sweet, virgin pussy. I opened wide and gobbled her up. My tongue dragged upward between those wet lips until I found her stiff clit. I licked the left side, the right side, moving under and over. I teased her mercilessly, but denied final contact until my Texas doll was lifting her tight ass off the bed in desperation. When I finally caught her pulsing nubbin between my lips and fluttered my tongue over its straining erectness, she came.

Her fingers were tangled in my hair and her pussy quivered with her climactic release. Her quiet and restrained whimpers of joy got me so hot I could hardly stand it. I wanted to take her back to the edge!

I lowered my angle of attack and began to give her an old-fashioned tongue-fucking. Her pussy had that clean, salty taste unique to a sexy girl when she's totally aroused. I wanted this her to experience uninhibited pleasure her first time with a man.

I moved back up to tease her clit again, then pushed one finger inside her wet pussy. I eased another finger into her warmth, slowly making room for the next invader. She was ready, and so was I. More than ready. I began to undress, never letting up on the tongue-lashing I was giving her. When I finally shed my jeans, I had to pause to admire her sensual beauty.

She stretched out on my bed, her brown hair tousled and her skin flushed with excitement. Her perky breasts rose and fell with every gasping breath. The lean lines of her thin body seemed to converge at the apex of her slender thighs, where her wet pussy swelled open to my gaze.

When she saw my cock, she rose up a bit and stared with intense curiosity. I walked closer to where she was propped up on her elbows, her breasts thrust out seductively because of the arch of her back. My throbbing cock was only a few inches from her parted lips, and I saw her tongue trace a quick path over the lower one.

"You need to get it wet," I instructed softly and moved the head forward. Her lower lip gave way as if made of soft rubber as I let my cock ride over it, inching toward her pink tongue. When the flared edge of my glans entered the circle of her mouth, this good old boy was in heaven.

Karen closed her eyes and her mouth. She instinctively sucked on my cock, her cheeks hollowing inward as she murmured around my fat stalk. After she got used to it, I began to stroke in and out, watching

her expression of satisfaction as her tongue traced circles over the head. My hard cock nearly overwhelmed her mouth. It was tempting to let her take me all the way, but I had other business to attend to before I drove back into the Texas desert. I pulled free of her intense suction and climbed onto the bed.

Now, on my knees between her parted thighs, I was actually leaking with expectation. I laid my cock in the wet furrow of her pussy and stroked along, bumping her wet clit

on every upstroke. Finally, the crown of my cock emerged from her bush to stand proudly over her flat belly. Karen was squirming again. At this point she was more confident that she was ready for this life-changing event. So I quit fooling around.

I wedged the tip of my cock between her pussy-lips and kissed her hard, timing my tongue's motions with the short, gentle thrusts of my cock. Man she was tight! I finally got most of the head inside her pussy, and then I was at the barrier.

"Open your eyes," I whispered. I

wanted to see the expression on her face as I did the deed.

"Oh, baby," I crooned softly as I stared at her naked arousal. "Are you ready?" I was churning my cock in small circles, constantly putting pressure on her hymen.

"Do it," she answered. "Put it in."

"No." I said, stirring her pussy to a boil. "Say the word. Tell me what you want me to do."

She looked up at me with those wide, brown eyes, and her eyelids

to the bulk of a guy's cock inside her.

I reached back and put my arms under her legs so that the crooks of her knees were locked in the crooks of my elbows like a Chinese puzzle. I settled closer, never moving my cock as her ass lifted off the bed. Soon her slender body was bent double under me. In this position, I was completely and utterly buried to the balls.

I pulled out an inch, then gave it back. I withdrew a couple of inches and slid back into the heat. I retrieved more than half my cock, then pushed back into that elastic tunnel with increasing vigor.

"It's so good," she panted. "Do it faster!"

I pulled out until only the head of my cock was inside her pleasure pit. I glanced between our sweating bodies and saw my straining shaft splitting her pussy-lips wide. Pulling out all the stops, I gave this sexy chick all she could take. I fucked her like a steam engine out of control. My balls were slapping her round ass at the end of each and every stroke

as I plowed my meat into her.

She began to moan and cry out and yip like a poodle as we fucked in a sexual fury. Her fingernails were scraping at my chest and shoulders as she whipped her head from side to side, her body way beyond any conscious control.

When she came, I thought I'd lose my cock in the extreme grip of those slick inner walls. I paused for a few moments to relish the rippling action of her tight pussy. As she peaked and began another roller coaster climb, I pulled out and flipped her over. Pulling her to her knees, I started fucking her again with renewed energy.

Holding those slim hips and slamming into this sexy kitten from

behind, I was tempted to marry the girl. She was tighter and hotter than any chick I'd ever had the honor of fucking. When she dropped her shoulders to the bed and reached back between her legs to take hold of my balls, I almost lost it.

My hands were all over her, testing the pliancy of her ass, holding her small waist, pulling down on her firm tits. When I tugged at both her nipples, and gave her one extra-enthusiastic thrust, Karen came for the fifth or sixth time. And the combination of it all took me to the brink.

I withdrew, mindful of the fertility of a girl her age. Karen must have realized my plan, because as she rolled onto her side, she reached for my over-primed tool. Her fingers were the last straw. My balls demanded release, and the moment had arrived.

I shuddered when my lover closed her lips over the end of my spewing cock. I think my balls double-clutched and went into over-drive. A huge geyser of jizz flooded Karen's mouth before she could cope with the deluge. White streamers of the stuff escaped from the corners of her stretched lips and dribbled down her chin. She gulped and struggled to accept it all, but her pure sexuality had forced a copious cargo of sperm from my balls.

I collapsed beside her, exhausted and spent. I pulled her slender form close, and we both reveled in the afterglow of our sweet encounter. Sometime before morning, I awoke her and had another sample of her tight young body. That time she took more initiative and got on top, riding my cock like a cowgirl.

Now every time I'm passing through Texas, I pull into a certain truckstop and invite a certain young babe into the cab of my truck. This hot young piece is my favorite distraction from the tedious boredom of the road.

When my boss asks about the delays in my trip, I simply tell him it's a "tight" schedule.

fluttered with nervous anticipation.

"Fuck me," she repeated. I saw her glance down between our naked bodies to where my cock was plugged onto her pussy. I held perfectly still then, causing her to shift her entire attention to my face, watching and waiting. Perfectly aligned and trembling myself, I pushed my cock in and claimed her virginity.

One determined, unrelenting thrust and her cherry popped. My cock went sliding into the reluctant channel of her hot, tight pussy. She exhaled, and I saw her eyes tear up with emotion, but otherwise, she took it like the woman she had become.

When my balls settled against her butt-cheeks, I let her get accustomed
